Dear Friend

The Youngtown Museum is entering into its 5th season of operation. To date, over 2600 visitors have come from near and far to celebrate the history of rock and roll showcased in Neil Young's childhood hometown of Omemee Ontario. Neil Young himself visited the museum in October 2010 and has been very supportive! Essentially a private, low or non-profit venture operated by volunteers, the museum has received national attention. Still, we rely on our business partners to help keep this world class project alive. Your support and sponsorship is very much needed and appreciated. In return, we promote your business!
